Tour Courtesy:

NO PETS ALLOWED AT ANY LOCATIONS.

Please drive carefully.
Watch for pedestrians in the parking lots.

1. Brunswick Area Historical Society

Heritage Farm is a typical 1860s farm. Farmhouse, barn, outbuildings all have artifacts from Brunswick's past and will be open to view. *Refreshments available.*

2. Hinckley Historical Society

Local township history and displays with museum-like décor. Various antique/unique collectibles. Records available for family and property research. *Not handicap accessible. Refreshments available.*

3. Weymouth Preservation Society

"Life in the Countryside" exhibit with 200 artifacts illustrating 19th century life in Medina County villages and farms.

4. Granger Historical Society

The Thompson-Work Museum houses an extensive doll collection along with period furnishings. The Aldridge B. Underwood Library contains an Indian artifact collection, township memorabilia, genealogy, Granger School photos and Highland annuals. *One building is not handicap accessible, the other is handicap accessible.*

5. Wadsworth Area Historical Society

The Johnson House Museum contains many items from Wadsworth's 200 year history. Guided tours available. First floor only handicap accessible. *Homemade ice cream and old fashion root beer floats available for purchase.*

6. Seville Historical Society

Featuring displays of the "World's Tallest Married Couple", Captain and Anna Bates and architectural items from their original farmhouse. Also an original Steinway & Sons square grand piano, a variety of fossils, American Indian artifacts and tools. *Not handicap accessible. Refreshments available.*

7. Northern Ohio Railway Museum

NORM's mission is to collect, preserve, restore and operate railway equipment from the trolley and interurban era of Ohio. We are currently building a two-mile demonstration railway on former Cleveland & Southwestern interurban right of way. Walking tours will be conducted.

Chippewa Lake, Ohio Historical Society

Chippewa Lake has a rich history with its cottage communities and Chippewa Lake Park. It is also home to the largest natural lake in the State of Ohio. Come relive your memories while you view artifacts from Chippewa Lake's past.

8. Westfield Historical Society

Featuring items from the time capsule opened in 2014 from the Westfield School Corner Stone from 1923 (school bell and two corner stones). Bricks from the school for sale. *Refreshments available.*

9. Lodi / Harrisville Historical Society

Once an old school house, the museum will have displays. On the way, take a ride through Woodlawn Cemetery which is known for its rhododendrons and our historic bridges. A concert in the park will welcome you.

10. Spencer Historical Society

Displays of local history, memorabilia, documents and artifacts. Video playing of Monosmith's photos, a 1920s horse drawn buggy from post office, juke box from Firestone Store. *Handicap accessible, chair lift available to second floor. Parking on street or in lot across from the Town Hall. Light refreshments/lunch available.*

11. Chatham Historical Society

View displays of the history of Chatham Township in the form of documents and artifacts as well as the recollections of people who have lived Chatham's history. *Light refreshments available.*

12. Medina Town Hall & Engine House Museum

History museum of the City of Medina from early 1800's through today, with rare images of the Great Fire of 1870, the 1918 Medina Fire engine and much more. Admission is free. The museum is open during most special events.

13. The Little Wiz Fire Museum

1916 Hallock Chemical fire truck, hand/horse-drawn fire equipment (1850), newer vehicles, extinguishers, nozzles and pumps.

14. Medina County Historical Society

Visit a Queen Anne Victorian house with period furnishings and artifacts. Displays feature clothing, county business and leisure time activities, Civil War, Pioneer and Native American tools and objects. *Not handicap accessible.*

15. York Historical Society

Historical complex in Mallet Creek: one-room schoolhouse, post and beam barn and granary. Exhibits include school desks, books, maps, records, artifacts, early farm tools, horse-drawn carriages, restored barn looms and early road grader. *Porta-potty available.*

16. Valley City / Liverpool Township Historical Society

The original 1895 Depot is a museum holding artifacts and info about our history, from 1810. A Salt Works started settlement. Hear why it is both Valley City and Liverpool, and about local cigar making. Explore the locomotive and caboose.
